Thank you for downloading Replica Studios' RPG Voice Pack v.1

This pack contains 101 voice lines performed by 4 of our AI voice actors. See included CSV or PDF for full list and corresponding file names.

To edit these voice lines or create your own custom lines, please sign up for a free account at <https://replicastudios.com> - you'll receive 30 minutes of free credit.

You are free to use these audio files in your game for free. We just ask that you provide a credit and link to <https://replicastudios.com>
