I'm ready. Let's go.	studios_0001.wav
I'll wait here.	studios_0002.wav
I'm right behind you.	studios_0003.wav
I'm itching for a fight.	studios_0004.wav
I cannot be beaten!	studios_0005.wav
Ha! Think you can take me?	studios_0006.wav
Did you need something?	studios_0007.wav
No problem, I'll handle it.	studios_0008.wav
I'm sorry, that can't be done.	studios_0009.wav
I'm sorry, but I'm not going to do something like that. Even for you.	studios_0010.wav
I had another run-in with the Thieves Guild	studios_0011.wav
Be careful	studios_0012.wav
I agree completely.	studios_0013.wav
That's a shame	studios_0014.wav
You disappoint me.	studios_0015.wav
Many years ago I lost my blade	studios_0016.wav
Well met	studios_0017.wav
I'm afraid not. I don't deal in stolen goods	studios_0018.wav
I was hoping you could help me.	studios_0019.wav
I don't know what he's talking about.	studios_0020.wav
Whatever you say.	studios_0021.wav
I'm watching you. One slip up and I report you to the guards.	studios_0022.wav
It's my pleasure	studios_0023.wav
I'm glad I found you	studios_0024.wav
What is it? What's the matter?	studios_0025.wav
Don't worry.	studios_0026.wav
You may have everyone else impressed around here, but you don't impress me.	studios_0027.wav
It's only because I've had an excellent teacher.	studios_0028.wav
I fear that you soon may leave us.	studios_0029.wav
If you were to leave, I'd miss you terribly.	studios_0030.wav
I'll bring it to you right away	studios_0031.wav
I suspected as much.	studios_0032.wav
Well, you were right.	studios_0033.wav
Well, you were wrong.	studios_0034.wav

I say we go down there	studios_0035.wav
No, my friend. That would be reckless	studios_0036.wav
We have to help	studios_0037.wav
I've really missed traveling like this.	studios_0038.wav
I think the poor man soiled his armor!	studios_0039.wav
I've seen enough death to last three lifetimes, yet I never tire of a good fight.	studios_0040.wav
My mother was a strong woman	studios_0041.wav
Have you ever seen the likes of this place?	studios_0042.wav
I've always wanted to visit this place.	studios_0043.wav
What a dreary place.	studios_0044.wav
Makes my skin crawl.	studios_0045.wav
Many have fallen in this crypt.	studios_0046.wav
Bandits, the worst type of scum	studios_0047.wav
Keep your eyes open for ambushes.	studios_0048.wav
The dwarves were masters at subterranean construction	studios_0049.wav
I swore I'd never return here.	studios_0050.wav
Danger's about, I can tell. Be cautious.	studios_0051.wav
I'll never forget it.	studios_0052.wav
I'm certain we'll find some treasure down here.	studios_0053.wav
Keep your eyes open, I don't like the looks of this place.	studios_0054.wav
I missed this.	studios_0055.wav
I'm busy, and you're bothering me. So go away.	studios_0056.wav
You're wrong to come here, stranger.	studios_0057.wav
Keep at it.	studios_0058.wav
He's the enemy, and we are going to crush him.	studios_0059.wav
What's wrong?	studios_0060.wav
Did I see you arguing with someone?	studios_0061.wav
Drowning your troubles in mead?	studios_0062.wav
He's a good soldier	studios_0063.wav
Stay out of trouble, now.	studios_0064.wav
I know he hides it, but I can tell.	studios_0065.wav
We're completely exposed.	studios_0066.wav
How's the war going?	studios_0067.wav
The Empire has stretched itself too far.	studios_0068.wav
This isn't over.	studios_0069.wav

I'll have you both executed.	studios_0070.wav
Are you all right?	studios_0071.wav
You seem tired	studios_0072.wav
Of course. I would have it no other way.	studios_0073.wav
What threat could I possibly pose?	studios_0074.wav
I am the perfect weapon.	studios_0075.wav
Rather convincing, don't you think?	studios_0076.wav
Don't let my appearance throw you off	studios_0077.wav
Why can't he just leave us alone?	studios_0078.wav
Ain't no way I'm getting involved in any of that.	studios_0079.wav
Pay me? You think this is about money?	studios_0080.wav
So long since I worked my blade.	studios_0081.wav
I was honored to know him.	studios_0082.wav
You just keep quiet and stay where you are.	studios_0083.wav
Keep talking, little man, and we'll see who gets punished.	studios_0084.wav
Oh, yes yes yes! Thank you, thank you, thank you!	studios_0085.wav
You're the boss.	studios_0086.wav
Oh, we're going to be fast friends.	studios_0087.wav
It shall be done	studios_0088.wav
Of course.	studios_0089.wav
How may I serve you?	studios_0090.wav
I need to rearrange your equipment.	studios_0091.wav
You're dismissed.	studios_0092.wav
I do apologize	studios_0093.wav
What can you tell me about yourself?	studios_0094.wav
No, definitely not like you.	studios_0095.wav
Any thoughts on the current situation?	studios_0096.wav
Mark my words.	studios_0097.wav
I have never looked back.	studios_0098.wav
I've heard quite a bit about you.	studios_0099.wav
Well then, your timing couldn't be better.	studios_0100.wav
I think so. Just hold on a moment.	studios_0101.wav
